Dear Paul:

In response to your letter of November 4 concerning the need for a formal communication from the Foundation certifying to the security clearances of both Scott Adams and Karl Olsoni, this is to advise that formal letters were sent to your Director of Security under date of October 23. Apparently these letters have gone astray since your Security Office advises that to date they have not been received. Enclosed are duly executed copies of these letters.

I trust you have not been inconvenienced too much as a result of the delay in receiving these certifications.

Sincerely,

Burton W. Adkinson
Head
